Part V – EVALUATION CRITERIA & PRICE BID ISSUES

46. **Evaluation Criteria.** The broad guidelines for evaluation of Bids will be as follows:-

<u>S/No</u>	<u>Details</u>
(a)	Name of Tendering Company/ Firm/ Agency (attach certificates of registration)
(b)	Name of proprietor/ Director of Company/ Firm/ Agency
(c)	Full address of registered office with telephone No, Fax No and E-mail
(d)	Banker of Company/ Firm/ Agency with full address
(e)	PAN/ VAT No (Attach self attested copy)
(f)	Documents showing experience of required jobs done worth minimum NRs 20 lakh per year and above and a copy of order in support.
(g)	Tax clearance certificates for one years .
(h)	Affidavit stating that the Company/ Firm/ Agency is/ has not been black listed by Centre/ State Government/ PSU
(j)	Declaration about fraud and corrupt practices (duly signed and attested)
(k)	Details of Earnest Money deposited (DD No, Date, Amount and Drawn Bank etc)

Note:

(i) Only those bids will be evaluated which are found to be fulfilling all the eligibility and qualifying requirements of the RFP, both technically and commercially.

(ii) The overall Lowest Bid will be decided upon the lowest price quoted by the particular Bidder as per the Price Bid Format. The consideration of taxes and duties in evaluation process will be as follows:-

(aa) In case where only indigenous Bidders are competing, all taxes and duties (including those for which exemption certificates are issued) quoted by the Bidders will be considered. The ultimate cost to the Buyer would be the deciding factor for ranking of Bids.

(ab) In case where both foreign and indigenous Bidders are competing, following criteria would be followed:-

(aaa) In case of foreign bidders, the basic cost (CIF) quoted by them would be the basis for the purpose of comparison of various tenders.

(aab) In case of indigenous Bidders, excise duty on fully formed equipment would be offloaded.

(aac) Sales tax and other local levies, i.e. octroi, entry tax etc would be ignored in case of indigenous Bidder.

(iii) The Bidders are required to spell out the rates of Customs duty, Excise duty, VAT, Service Tax, etc in unambiguous terms; otherwise their offers will be loaded with the maximum rates of duties and taxes for the purpose of comparison

of prices. If reimbursement of Customs duty/ Excise Duty. VAT is intended as extra, over the quoted prices, the Bidders must specifically say so. In the absence of any such stipulation it will be presumed that the prices quoted are firm and final and no claim on account of such duties will be entertained after the opening of tenders. If a Bidder chooses to quote a price inclusive of any duty and does not confirm inclusive of such duty so included is firm and final, he should clearly indicate the rate of such duty and quantum of excise duty included in the price. Failure to do so may result in ignoring of such offers summarily. If a Bidder is exempted from payment of Customs duty Excise Duty/ VAT duty upto any value of suppliers from them, they should clearly state that no excise duty will be charged by them up to the limit of exemption which they may have. If any concession is available in regard to rate/quantum of Customs duty/ Excise Duty/ VAT, it should be brought out clearly. Stipulations like, excise duty was presently not applicable but the same will be charged if it becomes leviable later on, will not be accepted unless in such cases it is clearly stated by a Bidder that excise duty will not be charged by him even if the same becomes applicable later on. In respect of the Bidders who fail to comply with this requirement, their quoted prices shall be loaded with the quantum of excise duty which is normally applicable on the item in question for the purpose of comparing their prices with other Bidders. The same logic applies to Customs duty and VAT also.

(iv) In import cases, all the foreign quotes will be brought to a common denomination in Indian Rupees by adopting the exchange rate as BC Selling rate of the State Bank of India on the date of the opening of Price Bids.

(v) If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price will prevail and the total price will be corrected. If there is a discrepancy between words and figures, the amount in words will prevail for calculation of price.

(vi) The Buyer reserves the right to evaluate the offers received by using Discounted Cash Flow method. In case cash flow involves more than one currency, the same will be brought to a common denomination in Indian Rupees by adopting exchange rate as BC Selling rate of the State Bank of India on the date of the opening of Price Bids.

(vii) The Overall Lowest Acceptable Bid will be considered further for placement of contract/Supply Order after complete clarification and price negotiations as decided by the Buyer. The Buyer will have the right to award contracts to different Bidders for being overall lowest in particular works. The Buyer also reserves the right to do Apportionment of Quantity, if it is convinced that Lowest Bidder is not in a position to complete full works in stipulated time.

(viii) Any other criteria as applicable to suit a particular case.
