

**Admissions open for foreign students for the Academic Year
2025-26 at Indian Maritime University (IMU)**

The Indian Maritime University (IMU) has announced admissions for foreign nationals for the Academic Year 2025-26. The university offers UG, PG and Research courses in various disciplines such as Marine Engineering, Naval Architecture & Ocean Engineering, Nautical Science, Port & Shipping Management, Naval Architecture & Ship Building, Maritime Logistics etc. IMU has 6 campuses across various cities in India. The international students can get admission to the university through:

- a) Direct Admission Scheme – Any foreign national studying in India or abroad may take admission under this scheme. The students can apply on the university's portal for direct admissions to foreign nationals. The link is available on the university's website under "Admissions".
- b) DASA Scheme of Ministry of Education – The foreign nationals can also apply for admission through Direct Admission of Students Abroad (DASA) scheme of the Ministry of Education, Govt. of India, by logging on to **<https://dasanit.org/dasa2025/>**.

For further details, please visit the IMU website:
