Message from The Vice Chancellor

Deen Dayal Upadhyaya Gorakhpur University (DDUGU), Gorakhpur is recognized as one of India's most revered quality intensive universities, committed to tackling the grand challenges of current times and with dedicated staff who are acclaimed leaders in their field. Our undergraduate, postgraduate and Ph.D. degrees are world-class, driven by cutting edge research and technology that encourages critical thinking, problem solving, teamwork and communication. The University is focused on preparing students for their careers through employability development activities and internships, while our Engagement Priorities ensures close alignment with the needs of industry. Studying at the DDUGU offers a high quality experience within a rich campus culture and outstanding facilities. Students are assisted in making a successful transition to university life through an international program that provides an insight into local Indian culture. The academic environment of the University pursues excellence, values creativity, and gives graduates the opportunity to make a major contribution to the world.

Recently, our university achieved a commendable 190th rank in the SCImago Institution Rankings, with notable standings in research (201st rank), innovation (128th rank), and the social category (250th rank) on a global scale. In the QS World University Rankings for the academic session 2020-21, DDU Gorakhpur University secured the 96th position among the top 100 universities in India. Our faculty members have been able to publish good quality research work in high impact factor journals of repute. There is an active interaction between faculty and students on campus. The learning experiences on the campus pave a strong path for the enhancement of the overall development of the learners.

It is a matter of immense pleasure for me to be a part of the Deen Dayal Upadhyaya family as its Vice-Chancellor. I take this opportunity of welcoming students coming from all parts of the world, joining the university in undergraduate, postgraduate, and Ph.D. programs.

Prof. Poonam Tandon

Vice-Chancellor

Message from
Director

Deen Dayal Upadhyaya Gorakhpur University (DDUGU) is committed to offering international students a cutting-edge, professional, and value-based educational environment that is both interdisciplinary and professional. The university boasts an NAAC A⁺⁺ accreditation, due to its exceptional academic infrastructure, robust research credentials, extension activities, and innovative teaching pedagogy. DDUGU offers a wide range of programs in areas such as science, management, law, agriculture, pharmacy, engineering, biotechnology, mass communication, environmental sciences, and arts.

Moreover, the university actively engages in partnerships with some of the world's leading universities through MOUs.

Besides academics, we continuously strive to enhance the social experiences of international students and provide opportunities for engagement beyond the campus. International students have the unique chance to fully immerse themselves in a vibrant and diverse culture, enriched by India's rich cultural heritage. Additionally, we are unwavering in our commitment to the physical well-being of our students. To ensure their happiness, safety, and good health throughout their stay, we offer top-notch residential and medical facilities.

It is with great pleasure that I share our admission brochure and eagerly look forward to collaborating with international students to help them plan and embark on their academic journeys.
