

Training on “Digital Innovations for Aquaculture Development” at National Institute of Agriculture Extension Management (MANAGE), Hyderabad

The Centre for ICT, MANAGE, Hyderabad is organizing an online training on “Digital Innovations for Aquaculture Development” on 28th March, 2025, from 10:30 AM to 01:30 PM. The objective of the training is to enhance participants' understanding of cutting-edge digital technologies that can drive sustainability and development in the aquaculture sector. The training will be organized on iECHO platform. All interested participants can register on the iECHO portal or mobile app. Further details will be shared via email one day before the training. Interested participants can register at:
