

Prof. Sunaina Singh
Vice Chancellor

"From time immemorial India opened up novel paths of learning. Wherever Buddha traversed, seeds of knowledge sprouted and flourished. For centuries, Nalanda was beacon of learning which attracted scholars from all over the world and became a symbol of Asian wisdom. We are now poised to embark on a similar journey on an expanded scale with Asia-Pacific and Indian Ocean countries joining in. If the world's future lies in achieving a multi-polar system, it is necessary that an institution such as Nalanda charts the course of a new knowledge system for the 21st century."
